Johnson Takes Town, County, State and Nation; Demos Nearly Sweep Oxford Co.

President Lyndon B. Johnson won re-election Tuesday in and Muskie, Judge of Probate a one sided victory over the Republican candidate, Sen. Barry M. Goldwater, junior U. S. Senator from Arizona. An unofficial popular vote of 40,566, 812-25,603,480 for Johnson apparently assured him of an electoral vote of 486-52.

With a 260,547 to 118,279 victory in Maine, Johnson became the first Democrat to take Maine's electoral vote since Woodrow Wilson in 1912. He led 13,617 to 5,348 in Oxford County and 721 to 369 in Bethel.

Running for re-election, Sen. Edmund S. Muskie gathered 252,060 votes as against Congressman Clifford McIntire's 136,487.

In the contest for McIntire's seat in Congress from the Second District, William Hathaway of Auburn defeated Kenneth MacLeod of Brewer, by an unofficial tally of 108,876-67,041.

With four exceptions Democrats swept the Oxford County voting with the impetus given them by the vote for Johnson.

21 BETHEL VOTERS GIVEN OUTDATED BALLOTS

On Tuesday 21 voters in the general election held at Bethel's Community Room were handed ballots that were intended for use a year ago.

Voting officials agreed with Secretary of State Paul MacDonald that they should try to locate the 21 voters using the wrong ballot so they could vote on the question involved (liquor referendum).

It is understood that ballots not used in an election are supposed to be destroyed to prevent such occurrences.

HISTORY OF W. J. WHEELER & CO., INC.

Henry Howard, South Paris, founded the small insurance agency in 1864. He employed William J. Wheeler of Dixfield to assist him with the clerical and sales work.

A year later, Mr. Howard died and Mr. Wheeler took over the active ownership and management of the agency. The first of four offices located in Market Square, South Paris, was situated on the second floor of the Williams Hardware Store. Albert Swift was employed as the first office clerk.

After several years, the W. J. Wheeler Co. added an organ and piano sales department which was conducted for half a century. In 1893, Miss Margaret Baker of Norway was employed in the office. She remained with the company for 36 years, retiring in 1923.

William's son, Stanley M. Wheeler, was first associated with the firm in 1902 and was named director at its incorporation in 1916. Robert W. Wheeler, Stanley's brother joined the company in 1919. A year later, William J. Wheeler died and Stanley was elected president, and Robert treasurer. Because of the growth of the insurance business, the two brothers closed out the musical instrument department to devote all their time to the general line of insurance.

In 1950, the third generation of the family, Howard W. Cole of Skowhegan, became associated with the W. J. Wheeler Co. and was named treasurer when Robert died in 1953.

The company moved to its present location in the Billings Block, Market Square, in 1898. The office personnel is now five clerks.
